NGI

Nagarjuna Group of Institution stands as an icon for enriching education, ethics and practical learning for the benefit of the society and the young aspiring students. The philosophy and its purpose are rendered in its identity, expressing and committing to leadership and excellence in education. It also specializes in preparing students to meet the demands of new age careers in technology.

Foreseeing the necessity of professional academic educational facilities that are imbued in a strong value system, Nagarjuna Educational Society was established in 1995, under the able guidance of its founder Sri J.V.Rangaraju, renowned industrialist and philanthropist. Nagarjuna Education Society is pursuing its mission today with some of the latest facilities in education from primary school to professional education through the aegis of Nagarjuna Group of Institutions.

Sri. J. V. Ranga Raju

Chairman

Nagarjuna Group of Institutions,
Director - NCC Ltd.

On the outset, I would like to invite you all to Nagarjuna Group of Institutions (NGI) - synonymous with academic distinction. NGI is built on values which are core to the education setup of present day while imbibing in our students, a corporate acumen. In the last two decades, our institutions have achieved the perfect collaboration of state-of-the-art infrastructure and precious human resources dedicated to providing professional education with an emphasis on innovation & research.

Our competent faculty and staff are supportive and very passionate about moulding future professionals with a competitive mindset by providing a conducive and cordial learning environment. We firmly believe that the growth of the nation depends on the overall well being of our youth and the optimum utilization of human resources. Apart from academics, our students are also well-versed with human values and social responsibilities to ensure individual progress in tune with national development. We look forward to having your children at our esteemed campus to fulfill their dreams and aspirations.

Smt. Sridevi Rangaraju & Sri. J V Ranga Raju

ABOUT NAGARJUNA COLLEGE OF MANAGEMENT STUDIES

NCMS, the recent addition to the NGI has been established by Nagarjuna Education Society with an objective to facilitate the quality education to the rural students of Chickballapur and Bangalore Rural districts in the field of Management & science. Keeping in view that "Knowledge is Power" NCMS is trying to facilitate every student without who aspire to seek knowledge and flourish in his/her life.

The college is affiliated to Bengaluru North University & is located beside NH-44 and shares the 100-acre campus with Nagarjuna College of Engineering & Technology. NCMS provides excellent facilities high-quality education along with skill certification courses. It offers undergraduate programmes in Commerce, Business Administration, Computer Application and Science streams. It also provides a postgraduate programme in Commerce (M.COM). The unique feature of education at NCMS is; it strongly focuses on skill enhancement and holistic development of students. The institution has an international collaboration with the Lincoln University, Malaysia.

WHY NCMS?

Nagarjuna College of Management Studies is a pedestal for providing high quality education to the students of Commerce, Management and Science streams. NCMS disseminates education to every student irrespective of their socio-economic and cultural background. The students of NCMS are bestowed with serene environment and high quality infrastructure which becomes a boon for excelling in their academia.

NCMS is facilitating the students to learn and excel in their academics with the support of qualified faculties who employ the best teaching methods and technology in their teaching practice.

Best Practice of the Institution

- **Mentor-Ward System:**

One of the outstanding practices of this institution, promotes and sustains a strong one-on-one interaction between teachers and students in an atmosphere of care and concern. Social Outreach programs

- **Social Outreach Program:**

Charity starts from home, Keeping this ideology; the college has been doing social activities on a regular basis each in semester. As concerned fellow citizens, the students and faculty members are a part of Social Outreach "Together we make a Difference" to conduct different Social and Charity Programs.

- **Research Forum:**

The faculties are encouraged to undertake research, attend seminars/workshops, this is not restricted only to the faculty but is extended to students as well. This forum works on building rich research culture and initiates the spirit of research amongst students.

- **Commerce and Management Forum**

The Forum works on aspects of the students' business skills and managerial ability by conducting activities related to the same. It enhances and sharpens their cognitive and psychomotor traits.

- **Centre for Foreign Languages**

Students, who aspire to pursue higher education abroad or take up a career pursuit, have an opportunity to learn foreign languages at NCMS.

- **Tailor Made Programs**

All the schools design, develop and offer tailor made programs based on specific requirements of individual or industry to facilitate students with recent developments and skills and also acquire advanced certificates, through Online Courses and Skill development programmes.

- **Short Term Courses**

On Campus Short term courses add skills to our students giving them a competitive edge. Arthavidya, Practical Auditing, Tally, Advanced Excel, etc. are the few professional skill enhancement courses that are provided to the students as part of their curriculum.

- **National Service Scheme (NSS)**

To instill the spirit of social service among the young students; NCMS has established NSS at the institute level. Currently, NCMS has over 200 active students from different classes, working for community health care, literacy drives, and environmental protection.

- **Scholarship**

NCMS provides scholarship for meritorious and sports students.

- **Industry and Academia Interface**

As a part of academia – industry collaboration industrial visits are a part of the curriculum at NCMS, where students are given an exposure to the actual working environment.
